**Appreciation for financial assistance in aid of
Kipkelok school building project**

On behalf of Rotary Club of Hurlingham, Nairobi, and the Kipkelok community at large, I would like to pass our sincere appreciation to you all for your financial support to the above project. The support of €10,000 presented to us by PDG Michael of RC Kromboom during 85th District conference for District 9200 will progress the construction to the first floor level and probably to the roofing level.

We thank you all for the goodwill and friendship already accorded to us and the deserving children of Kipkelok community.

We promise to implement the project to the satisfaction of the community.

Regards

Remmy Koech
President 2009-10
